

Private Notice:

I Steven Douglas, the living man from the family of Kisilevich hereby declare to one and all by way of this public announcement and proclamation that an unrebutted agreement with witnesses has been made between me the German Ministry of Justice (Federal office of Justice), Adenauer Allee 99–103, 53113 Bonn as of the 4th of November 2023 within the landmass commonly known as Germany.

THIRD AND FINAL NOTICE

NOTICE TO AGENT IS NOTICE TO PRINCIPAL; NOTICE TO PRINCIPAL IS NOTICE TO AGENT

“FICTIO CEDIT VERITATI. FICTIO JURIS NON EST UBI VERITAS.”

Fiction yields to truth. Where there is truth, fiction of law exists not.

“Ei incumbit probatio qui dicit, non qui negat.”

Upon him rests the burden of proof who avers, not upon him who denies.

First Notice of my Asseveration of Living Soul Testimony, Faith and Facts, was sent on the 28.04.2023 by registered mail through the Deutsche Post AG (see Exhibit A), and received on 03.05.2023 (see Exhibit B). I provided a generous response time to my notice, it was honourable, made in good faith and clean hands.

SILENCE IS ACQUIESCENCE

A Second Notice of my standing as a living breathing natural being out of flesh and blood was served to the Amstgericht Norderstedt on 20.07.2023, with one living being to bear witness to the letter served (see Exhibit C). Again, I provided a generous response time to my notice, it was honourable, made in good faith and clean hands.

My Asseveration of Living Soul Testimony, Faith and Facts already settled any claims of a presumed contract, jurisdiction or authority over my living being, since all parties, agents and principles involved did not provide any evidence to support their claim, no responses were made, no point by point rebuttal or counter-claim sent. Additionally, there has been no response to my Second Notice. My Asseveration of Living Soul Testimony, Faith and Facts now stands as truth in commerce.

IN COMMERCE TRUTH IS SOVEREIGN.

This letter is a Notice, that testifies to the previous Notices, bears a written “Claim of Right” to my living standing, my asseverations, with two witnesses, and an evidenced postal receipt. This Notice is to all parties, agents and principles involved, who have yet to provide answers to these questions:

1. Do you or any person claim to have a bona fide contract with me, Steven-douglas, a living man? If yes, then please provide the evidence.
2. Do you or any person claim to have obtained a free and genuine consent? If yes, then please provide the evidence.

3. Do you or any person claim that there is a contract made in good faith and honesty? If yes, then please provide the evidence.

4. Do you or any person claim that I, as a man, relinquished my indefeasible rights? If yes, then please provide the evidence.

5. Do you or any person claim that there is a contract with valuable consideration? If yes, then please provide the evidence.

6. Do you or any person claim to have jurisdiction over a living being out of flesh and blood? If yes, then please provide the evidence.

7. Do you or any person claim that a crime has committed? If yes, then please show me the injured man, woman, child, or baby, as I have the right to face my accuser.

8. Do you or any person claim to have authority over a man who was created in the image of God the Father in Heaven? If yes, then please provide the evidence.

9. Do you or any person claim that there is a meeting of the minds "*consensus ad idem*"? If yes, then please provide the evidence.

10. Do you or any person claim to have my wet ink signature or autograph to a lawfully written contract? If yes, then please provide the evidence.

11. Do you or any person claim that the certainty of terms and conditions of this contract were fully disclosed to me? If yes, then please provide the evidence.

Any party making a claim needs to present credible evidence, as any claims, allegations, and preponderances are not enough; the evidence must be clear and certain. When there is no proof of a valid claim, then there is non-sufficient evidence to set forth a valid complaint. If the parties given notice by means of this written instrument cannot provide credible evidence for a rebuttal, within 14 days, in claim format sworn under oath or attestation, under penalty of perjury and upon their full commercial liability, on a point by point basis to the asseverations and questions herein, then your silence will stand as consent to, and tacit approval of the asseverations herein being established as a matter of fact, a fact that when it comes into effect, then all parties, agents and principles must cease and desist. I came in peace and I respectfully request to be left in peace.

"Actus me invito, non est meus actus."

The act done by me against my will is not my act.

There is no statute of limitations on fraud.

Equity will not allow a statute to be used as a cloak for fraud.

"Fraus et jus nunquam cohabitant."

Fraud and justice never dwell together.

"no judgment of a Court, no order of a Minister can be allowed to stand if it has been obtained by fraud, for, fraud unravels everything" in *Lazarus Estate Ltd. v. Beasley* 1956 (1) QB 702.

A Maxim of Law:

"Fiction cannot harm a man, but a man who believes he is a fiction can be harmed."

From Bouviers Maxims of Law, 1856 edition:

Probandi necessitas incumbit illi ui agit.

The necessity of proving lies with him who makes the charge.

Semper necessitas probandi incumbit qui agit.

The claimant is always bound to prove: the burden of proof lies on him.

Equity will not allow a trust to fail for want of a trustee, therefore I hereby appoint : the receiving party, be it the court or magistrate(s) as trustee. The government cannot confer a favour which occasions injury and loss to others.

"And I will put my Spirit within you, and cause you to walk in my statutes and be careful to obey my rules." (Ezekiel 36:27)

Living testimony and my asseverations:

The Bible teaches us that a trespass is going beyond the boundaries or the law that God has set. In other words, it is sin. God sent His son Yeshua, also known to many as Jesus, to be the perfect sacrifice to pay for our sins. In preparation for His death on the cross, Yeshua told His disciples, "for this is my blood of the covenant, which is poured out for many for the forgiveness of sins" (Matthew 26:28). This same Yeshua, whom we call the Christ, our Redeemer, will be the final Judge over all of mankind. "For the law of the Spirit of life has set you free in Christ Jesus from the law of sin and death." (Romans 8:2).

I, Steven-douglas, am a living man out of flesh and blood, a breathing natural being filled with the Holy Spirit, who is created in the image of God the Father of Abraham, Isaac and Jacob.

I, Steven-douglas, do not consent to any offer to contract, nor have I consented to be part of any legal trust. There can be no meeting of the minds. I am not the surety, debtor, or trustee for any legal person, corporation, ens legis, or any other fictional entity.

I, Steven-douglas, cannot be intimidated away from my faith in my redeemer Yeshua to transgress His law, and cannot be held in contempt of, violate, or fail to comply with any fictional law, or stand under any color of law, act, statute, legislation, mandate, code, policy, rule, regulation, nor any presumption of law.

I, Steven-douglas, as an ambassador of Christ, and a bondservant of the Kingdom of Heaven, stand under the authority and jurisdiction of my Lord Yeshua, the Christ.

I, Steven-douglas, as a living man out of flesh and blood, asseverate that I have direct knowledge of all the facts stated herein.

I, Steven-douglas, reserve all my God given and indefeasible rights, none are ever waived, without prejudice.

Dated: Eighteenth-of-October-in-the-year-of-our-Lord, two-thousand-and-twenty-three.
